

Sonora Middle School

School Supply List

2017-2018

This supply list includes items for which **all students** are expected to have for **each** class for the entire year. If an item is lost or depleted, the student is expected to replace it promptly and to continue to have it available for use in class. Individual teachers may request additional supplies.

All students will be given the opportunity of using a school issued lock for their locker. We recommend that all students use their locker and lock. If you choose to bring your own lock from home, students must provide the office with an extra key/combination.
